

MINUTES OF THE MEETING OF THE DISTRICT LEVEL MONITORING COMMITTEE (INFRASTRUCTURE),  
LAKHIMPUR, NORTH LAKHIMPUR, HELD ON 15.06.2019 .

The meeting of the District Level Monitoring Committee (Infrastructure), Lakhimpur, North Lakhimpur, is held today, on 15.06.2019 at 04:00 pm in the Office Chamber of the District & Sessions Judge, Lakhimpur, North Lakhimpur, being attended by Mr. M. A. Choudhury, District & Sessions Judge, Lakhimpur, N. Lakhimpur, Mr. N. Kuri, Chief Judicial Magistrate, Lakhimpur, N. Lakhimpur, Mr. B.U. Ahmed, Executive Engineer, PWD (Bldg.) Division, N. Lakhimpur and Mr. J Saikia, Junior Engineer, PWD ( Elec.), N. Lakhimpur Electrical Sub-Division to discuss and decide in respect of the infrastructure related works of the various projects under the establishment of the District & Sessions Judge, Lakhimpur, N. Lakhimpur, including the residential Quarters of all the Judicial Officers. The other member of the committee that is the Deputy Commissioner, Lakhimpur is absent in the meeting.

The District level Monitoring Committee (Infrastructure), has made a detailed discussion regarding the restoration of RF connectivity in the District Judicial Court Complex at Lakhimpur, North Lakhimpur and the erection of the RF tower in the Deputy Commissioner's Office, Lakhimpur, North Lakhimpur which was earlier destroyed by the vertical extension of the Deputy Commissioner's building as per reports. In this regard, the Executive Engineer, PWD (Bldg.), Lakhimpur, North Lakhimpur apprised the Committee that the defunct RF connectivity will be restored with OFC as data bandwidth over OFC can be optimally utilised in contrast with RF connectivity, and the concerned vendor has given assurance that the OFC connectivity will be restored by 15<sup>th</sup> July 2019 and also that a temporary connection (leased line) has already been given to the E-court server room for smooth functioning of e-Court services.

The District level Monitoring Committee (Infrastructure), has also made a discussion regarding RCC type Quarters (*both Grade-II and Grade-III*) of the Judicial Officers situated at Bantow, North Lakhimpur, Assam, and have unanimously come to the conclusion that all the RCC type Quarters' need repair/renovation.

The District level Monitoring Committee (Infrastructure), is unanimously of the view that, the courtyards of both the RCC type Quarters (*both Grade-II and Grade-III*) of the Judicial Officers is to be fitted with Pavers' Block. The Committee has unanimously directed the Executive Engineer, PWD (Bldg.), North Lakhimpur Bldg. Division, Lakhimpur to prepare and submit a plan & estimate regarding the same before the next monthly meeting of the District level Monitoring Committee (Infrastructure) without any failure.

The District level Monitoring Committee (Infrastructure), also discussed regarding the Quarter (Assam type) occupied by the Ld. Chief Judicial Magistrate, Lakhimpur, North Lakhimpur, Assam (which is originally a Grade-III Judicial Officer's Quarter) and also the Quarter (Assam type) located at the southern corner of the Judicial Officer's colony, and unanimously came to the conclusion that a temporary security shed for the House Guards' be constructed on an immediate basis. In this regard, the Committee
